From the Mayor

Charles Harbaugh, IV

I would like to thank Ray Steele for hosting the first Mayor's Dinner March 12, 2015 at the Wayside Inn. It was really a treat to see the past Mayor's and hear their stories. I was like a sponge at the dinner and tried to absorb all of the six Mayor's collective wisdom! Also, I would like to invite the community to our 2nd Annual Middletown Easter Egg Hunt Saturday March 28, 2015 at 11:00 a.m. at the Middletown Town Park. Planning is also underway for a couple more community events including the 4th of July festivities and the 5th Annual Middletown Car and Truck show Sunday, August 23, 2015 on Main Street. Please add these dates to your calendar. As always we look forward to seeing you and yours at these events! Lastly, on behalf of myself and Councilman Jeff Pennington we would like to thank the Town for their overwhelming support of our book "Images of America: Middletown". The stories and photos contained in the book shed a lot of information and really brought the Town together.

From the Chief of Police

Philip Breeden

If any folks in the community receive phone calls from anyone stating that you have won the lottery or have won other monies, and all you have to do is pay the tax, hang up immediately and do not give them any information. There is a scam going on in this area and we want the citizens to be advised.

From the Zoning Administrator

Fred Wharton

From the Clerk

To all Middletown residents, please update your contact information with the Town office. It is imperative that we are able to contact you in the event of an emergency such as a water brake and or leaks at your property. I personally make courteous calls the day of water cut offs as a reminder before cutting off water service. On our last water cut off there were over half that I could not reach because the phone number on file was no longer a good number. Please update your information at your earliest convenience.

All utility payments are due by the due date indicated and, if late, penalties will be applied. If the bill is not paid in full by the cut-off date, service will be disconnected for non-payment and there will be a \$100.00 cut-off/on fee added to your bill. Only those individuals with bona fide emergencies will be considered on a case-by-case basis for a **one-time** deferment. There will be **no payment arrangements**. If you have any question regarding this policy please contact the Town Office 540-869-2226 ext. 1
