

Town of Middletown ♦ 7875 Church Street ♦ Middletown, VA ♦ (540) 869-2226 ♦ Volume 17, Issue 2 ♦ March 16, 2026

From the Mayor

Charles H. Harbaugh, IV

Hello Citizens. Spring is an exciting time in Middletown, and I am pleased to share several upcoming events and important updates happening in our community.

Freedom 250 Mobile Museum Comes to Middletown

Middletown is proud to welcome the **Freedom 250 Mobile Museum Truck** as it travels across the nation celebrating America's 250th Anniversary.

Wayside Inn

 **March 27–28, 2026**

 **10:00 a.m. – 5:00 p.m.**

This immersive traveling exhibit offers a unique opportunity to experience our nation's history right here in the Shenandoah Valley. I encourage residents and visitors alike to stop by and take part in this special patriotic event.

Easter Egg Hunt – April 4, 2026

Join us for one of Middletown's most beloved traditions at **Middletown Town Park**.

 **April 4, 2026**

 **11:00 a.m.**

Children and families are invited to enjoy a morning filled with fun, laughter, and excitement as kids search for colorful eggs hidden throughout the park.

A special thank you to **Faith Harbaugh** for generously filling countless eggs and helping make this event possible for our community.

Earth Day Tree Planting – April 22, 2026

Residents are invited to participate in a community **Earth Day Tree Planting** on **April 22**. This initiative helps beautify our town while promoting sustainability and environmental stewardship for future generations.

Arbor Day Celebration – April 24, 2026

Middletown will also celebrate **Arbor Day** on **April 24**, recognizing the importance of trees in our community and continuing our commitment to preserving and enhancing our natural environment.

Annual Spring Clean-Up – May 22, 2026

The Town's **Annual Spring Clean-Up** will take place on **Friday, May 22, 2026**. Please review the clean-up guidelines available on the Town website calendar and in this newsletter.

We appreciate all residents who take advantage of this free service to improve their properties and help keep Middletown looking its best.

2026–2027 Budget Preparations

Budget planning for the upcoming fiscal year is currently underway. The Town is carefully reviewing current contracts and services to ensure they remain cost-effective while maintaining the high-quality services our residents expect. Finance Committee meetings have begun, and I encourage residents to attend to stay informed about how your tax dollars are being utilized. Meeting dates and times are available on the Town calendar.

Thank you for your continued support, involvement, and pride in our community. I look forward to seeing many of you at these upcoming events as we celebrate the season together. **Mayor Charles H. Harbaugh IV**

From the Police Chief

Gary Benedict Jr.

Virginia State Code Section 15.2-904 and Town Code Sec. 8-12.2 requires motor vehicles to be registered, inspected, and the display of current/valid stickers must be displayed. No vehicles sitting on jacks, blocks etc., are allowed. Vehicles that are not in compliance must be covered with a cover designed for that vehicle; no tarps of any sort are allowed.

As a reminder, vehicles parked on the street facing the wrong direction will be ticketed. This is a violation of the VA State Code and the Town Code. When parking on the street you must park with the flow of traffic. If you park facing the flow of traffic you will be ticketed.

All non-life-threatening matters which require an officer please contact Frederick County non-emergency dispatch at 540-662-6162. If you have an emergency, please call 911. All calls for service must first go through Frederick County dispatch. Frederick County dispatch will contact the officer/deputy on duty who will be handling the complaint. This will ensure that all calls are handled properly and in an efficient & timely manner.

For administrative questions please feel free to contact the Middletown Police Department Monday through Friday during business hours 9 a.m. to 5 p.m. at (540) 868-0535. Only leave a voice message if the return call is for non-emergency informational purposes.

From the Town Clerk

Christina Smith

The town offers online payments for your convenience. You will need your account number to get started. Once there you can register your water & sewer account and set up the many features that make paying your bill(s) easy. Invoice Cloud offers automatic and recurring payments, text and email reminders, paperless statements, etc. Please go to www.middletownva.gov to register your account. You may also pay your water & sewer bill over the phone, available 24/7 by calling (855) 844-0226.

Yard sale season will begin soon, please note a yard sale permit is required except for the Route 11 Yard Crawl which is scheduled to take place on Saturday August 8, 2026. You do not need a permit the day of the Yard Crawl. **If you post signage, it must be free standing and not attached to any utility poles or roadway signs. Signage must be removed same day.** The yard sale permit and rules & regulations can be found online at www.middletownva.gov under the Resources tab. There is no cost.

Homeowners, with the start of warm weather and outdoor clean up to begin, please remember if you are having contracted work done such as landscaping, roofing, plumbing, electrical, fencing and decks, etc., please make sure the contractor(s) has a valid Town of Middletown business license.

Please remember to update your contact information with the town office. Telephone numbers are very important to the staff in case we need to contact you in the event of an emergency or to discuss your account. Email is also a way we can communicate with you regarding account matters or issues at your property. Please feel free to email your updated information to clerk@middletownva.gov

Utility payments are due by the due date indicated or by the cut-off date. If the bill is not paid in full by the cut-off date, service will be disconnected for non-payment and an additional fee of \$100 will be added to your account that must be paid before services are restored. Cut-off \$50/cut-on \$50. If you have any questions, or need assistance paying your bill please contact the town office. Please make payment arrangements before the account is past due.

From the Planning & Zoning Department

Courtesy reminder, all trash should be stored in a trash can with a lid on your property. On trash day it should be placed curbside in a trash can. The town provides trash services for household trash only. Recyclables and large items should be disposed of properly at the county convenience center or the landfill.

As a reminder, permits must be secured through the Town office prior to any work. All renovations to buildings need a zoning permit. All accessory buildings such as sheds and/or outside storage containers also need a zoning permit. When in doubt please contact the town office.

Please take a minute to review the Town’s ordinance on grass, weeds or like vegetation as well as littering. When mowing or weeding it is unlawful to leave your grass clippings on the sidewalks and roadways.

Town Code section 6-2

Duty of owners, etc., of premises - To cut and remove tall grass and weeds.

- a. It shall be unlawful for any person owning, occupying or having charge of any real estate or an interest therein, located within the corporate limits of the town, where the parcel is one acre or less, to allow grass, weeds, or like vegetation grow on the property to a height of no more than 10 inches.
- b. Parcels greater in size than one acre that lies within 25 feet of the right of way boundary of a public roadway (except for interstate highways) must also keep the grass, weeds or like vegetation to a height of no more than 10 inches.
- c. If any owner, occupant, or person in charge of such land or interest therein shall fail to have such illegal growth of grass or weeds on his land cut or otherwise removed within 7 days written notice of violation of this section, the town shall have the right to cut or remove such unlawful growth at the expense of the landowner, and such expense may be collected by the town as taxes are levied and collected. In addition, the owner shall pay a penalty of \$50.00 as a fine of this section.
- d. Each day that any owner, occupant, or person in charge of such land or interest shall fail to have such an illegal growth of grass or weeds on his land cut or otherwise removed after the above mentioned 7 days has run shall constitute a separate offense. Subsequent offenses in the same calendar year shall double until the fine reaches \$200.00. The fine per calendar year is capped at \$2000.00.
- e. This section shall not apply to any land used for agricultural or industrial purposes.

.....
If you notice a street light out, please leave a message with the Public Works Department (540) 869-7731 or Middletown Police Department (540) 868-0535. Please provide the following information so we can report the outage to REC.

- Your name**
- Your phone number**
- Street light address**
- Pole number (if possible, extremely helpful)**

Middletown Heritage Society

Paige Ulevich

The Middletown Heritage Society meets the second Thursday of every month. We welcome anyone with an interest in Middletown's history to please attend our meetings. For questions feel free to contact President Paige Ulevich (571) 445-0889.

From the Public Works Department

Les Morefield

Yard waste pick-up has begun. Please take time to review the guidelines included in this newsletter. If a holiday falls on a Monday, yard waste will be picked up the following day. Any yard waste that is not within the required guidelines will be left curbside and it will be for the tenant/owner to remove from curbside same day.

Please make sure the water meter in your yard is visible and free and clear of all vegetation. The meter should never be covered, blocked, or buried by anything to include vegetation, vehicles, trailers, campers, etc. This can create serious problems in the event of an emergency if the town's Public Works department is unable to find and/or access the meter. The meter should be visible and most importantly easy to access.

Yard Waste Guidelines

Yard waste collection will take place on Monday's, **March 9, 2026 through December 7, 2026**. Yard waste must be placed curbside by 8:00 a.m. the morning of pick up and/or no more than 24 hours before the scheduled pick up.

Yard waste consists of grass trimmings and leaves which must be placed in biodegradable or paper yard waste bags only. **NO PLASTIC BAGS**. And bags can weigh no more than 40 lbs.

Branches and twigs **CANNOT BE LONGER** than four (4) feet in length and **NO LARGER** than twelve (12) inches in diameter. They must be tied in bundles. No wire or plastic string. Please do not place branches or twigs in bags.

Rain soaked or damaged bags that rip or tear during pick up will be the responsibility of the homeowner/tenant to clean up. Yard waste should never be placed curbside more than 24 hours before collection. This ensures the bag(s) have not been compromised due to weather.

The Public Works Department will no longer pick up yard waste that does not meet the required guidelines.

In the event a holiday falls on a Monday or the town office is closed, yard waste will be picked up the following business day.

If you have any questions, please contact our Public Works Department at (540) 869-7731.

Town Park guest - The wastewater treatment plant on Third Street is now gated and restricted to residents and visitors. Please use the park entrance off Senseney Road when visiting the town park.

Middletown Veterans Memorial

Save the date. May 25, 2026 at 1:00 p.m. Memorial Day ceremony to be held at the Veterans Memorial. This is a special year. It is America's 250th birthday. Our guest speaker is TBD. We hope you will join us in honoring our veterans this Memorial Day.

As always bricks can be purchased by contacting our town office. Forms to purchase a brick can also be found on the town website www.middletownva.gov Every veteran should be honored with a brick noting their selfless service to this great nation.

Middletown Volunteer Fire & Rescue Company

Our awards banquet was held in January. Bill Orndorff was recognized as Member of the Year for 2025. Dustin Richards received the Firefighter of the Year award. The John W. Legge fundraising awards went to Virginia and Sammy Henry. Chief Mark Dalton and President Gary Legge thanked our many community partners, including Town officials, Middletown Police Dept., Frederick County Board of Supervisors, Frederick County Sheriff's Dept., Frederick County Fire and Rescue, and our neighboring fire and rescue departments. Our members and Auxiliary members were recognized for many hours of volunteerism and service to our Town and surrounding area.

[Congratulations to Bella Walters, our Miss Middletown Honorary Fire Chief! Bella will represent Co. 12 at Apple Blossom events and other events that Co. 12 attends this year.](#)

BINGO is held every Tuesday night! Doors open at 5 p.m. Early bird games followed by regular Bingo at 7 p.m. Concessions are available from our Auxiliary. An ATM is available, outside smoking areas are provided, and we have free coffee, tea, and water. Proceeds from Bingo pay for fire and EMS equipment. Come check it out, have some fun, and support YOUR fire and rescue company!

Want to give back to your community? We need YOU! We are always looking for new members. Applications are available at the fire station. You must be 16 years old to apply. Training is provided. If you are not interested in running fire and/or EMS calls, we can always use help with fund raising or with the Auxiliary. Who are we? We are everyday people, working and taking care of our families. We also feel compelled to give back to our community and take care of our neighbors. We are retirees, mechanics, police officers, bus and truck drivers, secretaries, sales people, electricians, engineers, and so much more. We are YOUR neighbors; we are a family!

You can now make donations to us on-line! You can go to our website (middletownfire.com) and click on the "make donation" button or use the QR code.

SUMMER WATER CONSERVATION TIPS

For more information visit our website: www.cwwater.com

IRRIGATION TIPS

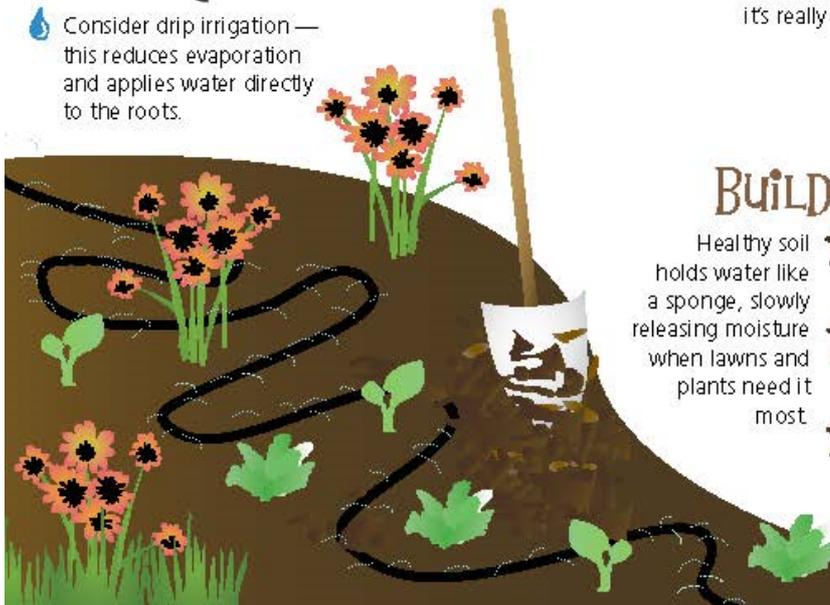

- Check your system each spring. Because automatic irrigation systems often come on during the early morning hours, leaks and other problems can go unnoticed for long periods of time.
- Take time to check your system and provide periodic checks throughout the summer to ensure the system is operating properly and efficiently.
- Replace your old controller with a new Watersense® weather based irrigation controller or adjust your current controller to the weather throughout the summer so you're not depriving plants or watering unnecessarily.
- Correctly program your irrigation controller.
- Install a rain sensor switch to temporarily shut off your system when it rains.
- Prevent run-off by splitting watering times into two or more applications with breaks in between. This will promote deeper root growth and foster a healthy landscape that is more resistant to dry weather.
- Water early in the morning when the air is cool and calm and evaporation is at a minimum. Watering in the evening is second best.

- Consider switching your old spray nozzles for more efficient multi-stream rotating nozzles.

- Consider drip irrigation — this reduces evaporation and applies water directly to the roots.

OUTDOOR WATER EFFICIENT TIPS

- Wash your car on the lawn.
- Take your car to a car wash that recycles and reuses the wash water.
- Fix all dripping hose bibs.
- Cover the pool when you're not using it to prevent unnecessary evaporation.
- Check for undetected leaks in your pool throughout the summer.
- Use a bucket of soapy water and a shut-off spray nozzle on the end of your hose when you wash your car.
- Sweep your driveways and patios instead of spraying them with water.

LAWN CARE TIPS

- A healthy lawn needs less water, pesticides, and fertilizers. Typical Willamette Valley lawns need only one inch of water a week, unless it's really hot.
- Aerate lawns in the early summer to allow water and air to reach the roots.
- Mow high to shade roots, keep soil cool and retain soil moisture.
- Mulch grass clippings to naturally green up your lawn.
- Water one inch a week, unless it's really hot. Visit our website for the weekly watering number.
- Fertilizer organically to protect kids, pets, and the environment.
- Skip the weed and feed products. Many of these can damage soil as well as pollute our waterways.

BUILD HEALTHY SOILS

- Healthy soil holds water like a sponge, slowly releasing moisture when lawns and plants need it most.
- Avoid using man-made fertilizers and pesticides. They can harm worms and other beneficial organisms found in healthy soil.
- Healthy soil will reduce runoff — and less runoff means less pollution and sediment in our streams and rivers.
- Adding soil amendments like compost or mulch cools and feeds the soil, improves water holding capacity, encourages deeper root growth and reduces the need for water and fertilizers.

Pet owners please clean-up after your pets. And do not leave your animals waste for others to step in and/or potentially expose other pets to disease. We work diligently to get the word out and make pet owners aware that this is a law. It is hazardous to the public and toxic to other animals.

Pet waste containers are located throughout town for your convenience. Before you head out on a walk make sure you are prepared and have a bag with you.

When using the waste stations please only utilize the number of bags needed at that time. Please be courteous and do not help yourself to extra bags. We go through a record number of bags but there are still large amounts of animal waste throughout the community. If you witness someone not cleaning up after their pet, please report this to the town's police department. (540) 868-0535

Town Code section 3-8 Littering

No person shall allow feces deposited by his/her animal to remain on any public highway, street, sidewalk, part of other public property, or on private property without written consent of the owner thereof or his agent.

Penalty – Any person who knowingly violates this Ordinance shall be guilty of a littering infraction and shall be subject to a fine of not more than \$25.00 per occurrence. (Middletown Town Code § 3-8)
